

MARCHELLO SCIORTINO

SPEAKER RESUME

Updated July 26, 2026

Speaker | Author | Creative Entrepreneur | AI Innovator

📍 St. Charles, Missouri

Helping audiences turn limitations, adversity, and unexpected circumstances into purpose, creativity, and meaningful action.

PROFILE

Marchello Sciortino is a motivational speaker, author, and creative entrepreneur whose work centers on turning limitations into momentum. Living with Friedreich's Ataxia, he brings a lived perspective on resilience, adaptation, faith, accessibility, creativity, and using AI as a tool for meaningful creation. His message challenges audiences to stop allowing circumstances to define what is possible and instead move forward with purpose, perspective, and professional momentum.
